

## MC38-hGDF15

## **Strain Information**

Cat. NO. NMC-230011

Cell Line MC38-*Gdf15*<sup>em1(hGDF15)Smoc</sup>

Strain State Construction

Model GDF15 gene humanized MC38 cell line

Description \*Literature published using this strain should indicate: MC38-hGDF15 cell line

(Cat. NO. NMC-230011) was purchased from Shanghai Model Organisms Center,

Inc..

## **Validation Data**

No data
