

B16F10-hPDL1/Sirpa

Strain Information

Cat. NO.	NMC-230056
Cell Line	B16F10-hPDL1/Sirpa
Strain State	Construction
Model Description	PD-L1 gene humanized B16F10 cell line with Sirpa gene overexpression *Literature published using this strain should indicate: B16F10-hPDL1/Sirpa cell line (Cat. NO. NMC-230056) was purchased from Shanghai Model Organisms Center, Inc..

Validation Data

No data
