

# MC38-hPDL1-Sirpa-KO

## Strain Information

|                   |                                                                                                                                                                                                                                         |
|-------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Cat. NO.          | NMC-230068                                                                                                                                                                                                                              |
| Cell Line         | MC38-hPDL1-Sirpa-KO                                                                                                                                                                                                                     |
| Strain State      | Construction                                                                                                                                                                                                                            |
| Model Description | PD-L1 gene humanized MC38 cell line with Sirpa gene knockdown<br>*Literature published using this strain should indicate: MC38-hPDL1-Sirpa-KO cell line (Cat. NO. NMC-230068) was purchased from Shanghai Model Organisms Center, Inc.. |

## Validation Data

No data
